

COLLEGE OF CHARLESTON KENTUCKY TOUR

The College of Charleston will be coming to Kentucky this fall and will offer the following ways for you to meet and speak with their admissions office:

A “[sit-down](#)” is a 30 minute one-on-one meeting intended to inform the student about CofC and answer any specific questions they may have regarding the school or their particular admissions process. They are not evaluative. Parents are welcome, but not required, to join the student at a sit-down. The student is not required to bring any documents; However, a transcript and activity resume/list are both appropriate and can help guide the discussion. This way I can give them specific feedback and advice. Knowledge of their test scores is also a plus.

To schedule a sit-down, they need to reach out to Caroline Frisch directly at Frischcg@cofc.edu with their preferred appointment time.
