The Leaders of Tomorrow® (LOT®) program was created by the National Black MBA Association (NBMBA) to foster behavior-changing leadership education to help teens get on a successful career path. Since the first LOT® conference in 1991, NBMBA has been providing opportunities for young people with amazing ideas to go on to pursue careers as entrepreneurs, business professionals, and beyond. Participants receive valuable guidance and instruction in the areas of leadership, college readiness, career preparation, and financial literacy.

The National Black MBA Association – Kentucky Chapter is proud to assist talented youth in leadership development through the LOT® program. Our mission is to empower visionaries intellectually and economically to create a world where diversity and inclusion are fundamental values. By engaging high school students in meaningful character and leadership experiences, LOT® will develop their ability to navigate complex life situations and create positive impact in their communities.

Step Up and Lead the Change!

Please join us on August 29, 2017 at St. Stephen Family Life Center 1508 W. Kentucky Street for the LOT® 2017 – 2018 Program Year Kickoff to learn more information about program curriculum and application process for becoming a member. Students in grades 9th – 12th with a minimum 2.5 GPA are invited to attend. At the end of the LOT® program year, (2) \$1,000 scholarships will be awarded to the brightest students, and students will compete to attend the LOT® Leadership Summit in the Summer of 2018.

We are delighted to participate in this nationwide leadership program, developed specifically to address the needs of high school students at such a critical time.
