

KELLEY SCHOOL OF BUSINESS

INDIANA UNIVERSITY

Institute for International Business

Dear Dupont Manual High School,

Here at the Kelley School of Business, we know your first priority is always the best interest of your students. It is the same for us. That is why we want to share with you our unique, two-week summer program for rising high school sophomores, juniors, and seniors.

The *Business is Global* (BIG) program offers students the opportunity to be transported into a world of international business, language, and culture from around the world. No passport necessary!

The program is a unique blend of interdisciplinary learning that will provide students an introduction into the myriad of opportunities available in today's global marketplace and a taste of the college experience. During their two weeks, your students will be introduced to:

- Cultural and business practices from three regions around the world: MENA, East Asia, and Turkey
- Less commonly taught languages from emerging economies: Arabic, Mandarin Chinese, Turkish
- Business fundamentals from KSB's top ranked faculty including: Finance, Operations, Marketing, Strategy, Entrepreneurship, Teambuilding, and more

Please consider recommending your students for spots in this highly competitive program. ALL students are required to submit one formal Letter of Recommendation by an instructor and a Registrar Request for Records Form, a change from last year. A copy of the Request for Records form has been included. **Applications can be submitted online via the program website or mailed to the address below.**

In addition, we have enclosed informational materials on this program to display or share with your students. Applications are due by 11:59 pm on April 9, 2018. For more information, please feel free to visit our website (<http://go.iu.edu/6bw>) and Facebook page (www.facebook.com/BusinessIsGlobal). Also, please do not hesitate to contact me directly at ciber@indiana.edu or (812) 855-5749.

After spending their summer with *Business is Global*, no matter what career path your students choose to follow, you can be sure they will leave our program as confident, smart young adults ready to take on the world!

Sincerely,

Emily A. Baginski, BIG Program Manager
